Leader Name :

Domain Chosen :

Problem Statement :

Problem Analysis

Proposed Solution & Key Features

Technical approach & Innovation

Impact & Future Scope

Supporting Information(workflow, architecture, wireframes, research, references)
- Optional

IMPORTANT POINTERS

Please ensure the below pointers are met while submitting the Idea PPT:

1. Keep the maximum slides limit up to six (6), including the title slide.
2. Avoid lengthy paragraphs and use concise points, diagrams, workflows, infographics or relevant visuals.
3. Keep the explanation precise, clear and easy to understand.
4. Clearly highlight the problem, proposed solution, key features and innovation/USP.
5. Mention the technology stack, target users, impact and future scope wherever applicable.
6. Ensure the idea is original, feasible and practically implementable.
7. Follow the prescribed PPT template and formatting guidelines.

🔴 Note – Please remove/delete this “Important Pointers” slide before submitting the final PPT.
